Index to Volume 28: Subject

A

Active management of labor
Maternal satisfaction with active management of labor: A randomized controlled trial (Sadler et al). 2001;28:225

Amniotomy
Amniotomy alone for induction of labour (Bricker and Luckas). 2001;28:138 (Selected Cochrane systematic review)
Amniotomy for shortening spontaneous labour (Fraser et al). 2001;28:139 (Selected Cochrane systematic review)
Amniotomy plus intravenous oxytocin for induction of labour (Howarth and Botha). 2001;28:281 (Selected Cochrane systematic review)

Analgesia
Maternal analgesia during labor disturbs newborn behavior: Effects on breastfeeding, temperature, and crying (Ransjö-Arvidson et al). 2001;28:5
What babies teach us: The essential link between baby's behavior and mother's biology (Kennell and McGrath). 2001;28:20 (Commentary)

Analgesia, epidural
Epidural analgesia and maternal fever (Lieberman et al) (Letter); (Albers) (Letter). 2001;28:72
Epidural analgesia use as a marker for physician approach to birth: Implications for maternal and newborn outcomes (Klein et al). 2001;28:243

Attitudes; *see* Beliefs

B

Baby-Friendly Hospital Initiative
Implementing change: Becoming baby-friendly in an inner city hospital (Merewood and Philipp). 2001;28:36
Maternity care practices: Implications for breastfeeding (DiGirolamo et al). 2001;28:94

Bacteria
Does bathing newborns remove potentially harmful pathogens from the skin? (Medves and O'Brien). 2001;28:161

Baths
Does bathing newborns remove potentially harmful pathogens from the skin? (Medves and O'Brien). 2001;28:161
Immersion in water in the first stage of labor: A randomized controlled trial (Eckert et al). 2001;28:84

Beliefs
Attitudes and beliefs about childbirth among college students: Results of an educational intervention (Cleeton). 2001;28:192

Birth centers
Sheila Kitzinger's letter from Europe: Awake, aware—and action! (Kitzinger). 2001;28:210

Body temperature, newborn
Maternal analgesia during labor disturbs newborn behavior: Effects on breastfeeding, temperature, and crying (Ransjö-Arvidson et al). 2001;28:5
What babies teach us: The essential link between baby's behavior and mother's biology (Kennell and McGrath). 2001;28:20 (Commentary)

Bologna score
Assessing effective care in normal labor: The Bologna score (Chalmers and Porter). 2001;28:79

Bonding
Hospitalization for early bonding of the genetic mother after a surrogate pregnancy: Report of two cases (Sharan et al). 2001;28:270
Routines in maternity units: Are they still appropriate for 2002? (Klaus and Kennell). 2001;28:274 (Commentary)

Book reviews
The Best Friend's Guide to Maternity Leave: Making the Most of Your Precious Time at Home, by Holcomb (Teres). 2001;28:288
The Breastfeeding Atlas, by Wilson-Clay and Hoover (Montgomery). 2001;28:143
Clinical Lactation: A Visual Guide, by Auerbach and Riordan (Montgomery). 2001;28:143
Family-Centred Maternity and Newborn Care: National Guidelines, by Health Canada (Young). 2001;28:287
A Guide to Effective Care in Pregnancy and Childbirth, by Enkin et al (Young). 2001;28:68
My Life In Birth: The Memoirs of Elisabeth Bing, by Bing and Colman (Hotelling). 2001;28:219
Preemies: The Essential Guide for Parents of Premature Babies, by Linden et al (Wood). 2001;28:143
Prenatal Care: Effectiveness and Implementation, edited by McCormick and Siegel (Glantz). 2001;28:69
Rediscovering Birth, by Kitzinger (Young). 2001;28:220
VBAC Source Book and Teaching Kit, by Jukelevics and Ancheta (Hotelling). 2001;28:221

Breastfeeding
Commercial hospital discharge packs for breastfeeding women (Donnelly et al). 2001;28:63 (Selected Cochrane systematic review)
Implementing change: Becoming baby-friendly in an inner city hospital (Merewood and Philipp). 2001;28:36
Maternal analgesia during labor disturbs newborn behavior: Effects on breastfeeding, temperature, and crying (Ransjö-Arvidson et al). 2001;28:5
Maternity care practices: Implications for breastfeeding (DiGirolamo et al). 2001;28:94
Postpartum maternal oxytocin release by newborns: Effects of infant hand massage and sucking (Matthiesen et al). 2001;28:13
Postpartum positioning and attachment education for increasing breastfeeding: A randomized trial (Henderson et al). 2001;28:236
Sheila Kitzinger's and Jenny Kitzinger's letter from Europe: Childbirth and breastfeeding in the British media (Kitzinger and Kitzinger). 2001;28:60
Violating "the Code": Breastfeeding, ethics, and choices (Young). 2001;28:77 (Editorial)
What babies teach us: The essential link between baby's behavior and mother's biology (Kennell and McGrath). 2001;28:20 (Commentary)

C

Cervical ripening
Intravenous oxytocin alone for cervical ripening and induction of labour (Kelly and Tan). 2001;28:280 (Selected Cochrane systematic review)

Cesarean section
Not as much as you think: Toward a truer estimate of the difference in direct medical costs between vaginal and cesarean deliveries (Malkin). 2001;28:208 (In the literature)
Postdischarge surveillance after cesarean section (Creedy and Noy). 2001;28:264
Rates of cesarean births in Hong Kong: 1987—1999 (Leung et al). 2001;28:166
Sheila Kitzinger's letter from Europe: Awake, aware—and action! (Kitzinger). 2001;28:210
Vaginal birth after cesarean and the *New England Journal of Medicine*: A strange controversy (Flamm). 2001;28:276 (In the literature)
Women's preference for a cesarean section: Incidence and associated factors (Gamble and Creedy). 2001;28:101
Women's request for cesarean (Turnbull et al). 2001;28:146 (Letter)

Childbirth; *see* Delivery

Cochrane Collaboration
Consumer-professional partnership to improve research: The experience of the Cochrane Collaboration's Pregnancy and Childbirth Group (Sakala et al). 2001;28:133 (Consumer viewpoint)

College students
Attitudes and beliefs about childbirth among college students: Results of an educational intervention (Cleeton). 2001;28:192
Sheila Kitzinger's and Jenny Kitzinger's letter from Europe: Childbirth and breastfeeding in the British media (Kitzinger and Kitzinger). 2001;28:60

Consumers
Consumer-professional partnership to improve research: The experience of the Cochrane Collaboration's Pregnancy and Childbirth Group (Sakala et al). 2001;28:133 (Consumer viewpoint)

Costs and cost analysis
Not as much as you think: Toward a truer estimate of the difference in direct medical costs between vaginal and cesarean deliveries (Malkin). 2001;28:208 (In the literature)

Crying, newborn
Maternal analgesia during labor disturbs newborn behavior: Effects on breastfeeding, temperature, and crying (Ransjö-Arvidson et al). 2001;28:5
What babies teach us: The essential link between baby's behavior and mother's biology (Kennell and McGrath). 2001;28:20 (Commentary)

D

Death, fetal
A waste of life: Fathers' experience of losing a child before birth (Samuelsson et al). 2001;28:124

Delivery, economics
Not as much as you think: Toward a truer estimate of the difference in direct medical costs between vaginal and cesarean deliveries (Malkin). 2001;28:208 (In the literature)

Delivery, methods
Assessing effective care in normal labor: The Bologna score (Chalmers and Porter). 2001;28:79
Effective care in pregnancy and childbirth: A synopsis (Enkin et al). 2001;28:41
Making childbirth a normal process (Righard). 2001;28:1 (Guest editorial)

WHO principles of perinatal care: The essential antenatal, perinatal, and postpartum care course (Chalmers et al). 2001;28:202

Delivery, psychology
Assessing women's preferences for intrapartum care (Hundley et al). 2001;28:254
Attitudes and beliefs about childbirth among college students: Results of an educational intervention (Cleeton). 2001;28:192
Do women get posttraumatic stress disorder as a result of childbirth? A prospective study of incidence (Ayers and Pickering). 2001;28:111
Making childbirth a normal process (Righard). 2001;28:1 (Guest editorial)
Maternal satisfaction with active management of labor: A randomized controlled trial (Sadler et al). 2001;28:225
Pregnant women's perceptions of their nurse's role during labor and delivery (Tumblin and Simkin). 2001;28:52 (Research brief)
Sheila Kitzinger's and Jenny Kitzinger's letter from Europe: Childbirth and breastfeeding in the British media (Kitzinger and Kitzinger). 2001;28:60
Women's perceptions of helpful and unhelpful nursing behaviors during labor: A study in Taiwan (Chen et al). 2001;28:180

Depression
Perinatal depression: A randomized controlled trial of an antenatal education intervention for primiparas (Hayes et al). 2001;28:28

Discharge packs
Commercial hospital discharge packs for breastfeeding women (Donnelly et al). 2001;28:63 (Selected Cochrane systematic review)

Doulas
Sheila Kitzinger's letter from Europe: Awake, aware—and action! (Kitzinger). 2001;28:210

Drinking in labor
Eating and drinking in labor: The influence of caregiver advice on women's behavior (Scheepers et al). 2001;28:119

E

Eating in labor
Eating and drinking in labor: The influence of caregiver advice on women's behavior (Scheepers et al). 2001;28:119

Editorials
Making childbirth a normal process (Righard). 2001;28:1 (Guest editorial)
The nature and management of labor pain: What is the evidence? (Young). 2001;28:149
Violating "the Code": Breastfeeding, ethics, and choices (Young). 2001;28:77

Education; *see* **Patient education**

Effective care
Assessing effective care in normal labor: The Bologna score (Chalmers and Porter). 2001;28:79
Effective care in pregnancy and childbirth: A synopsis (Enkin et al). 2001;28:41

Epidural analgesia; *see* **Analgesia, epidural**

Episiotomy
Trends in the use of episiotomy in the United States: 1980—1998 (Weeks and Kozak). 2001;28:152

Ethics
Violating "the Code": Breastfeeding, ethics, and choices (Young). 2001;28:77 (Editorial)

F

Fathers
A waste of life: Fathers' experience of losing a child before birth (Samuelsson et al). 2001;28:124

Fetal death; *see* **Death, fetal**

Fever, maternal
Epidural analgesia and maternal fever (Lieberman et al) (Letter); (Albers) (Letter). 2001;28:72

G

Great Britain
Sheila Kitzinger's and Jenny Kitzinger's letter from Europe: Childbirth and breastfeeding in the British media (Kitzinger and Kitzinger). 2001;28:60
Sheila Kitzinger's letter from Europe: Awake, aware—and action! (Kitzinger). 2001;28:210

Grief
A waste of life: Fathers' experience of losing a child before birth (Samuelsson et al). 2001;28:124

H

Hong Kong
Rates of cesarean births in Hong Kong: 1987—1999 (Leung et al). 2001;28:166

Hospital discharge
Commercial hospital discharge packs for breastfeeding women (Donnelly et al). 2001;28:63 (Selected Cochrane systematic review)
Postdischarge surveillance after cesarean section (Creedy and Noy). 2001;28:264

Hospitalization
Hospitalization for early bonding of the genetic mother after a surrogate pregnancy: Report of two cases (Sharan et al). 2001;28:270
Routines in maternity units: Are they still appropriate for 2002? (Klaus and Kennell). 2001;28:274 (Commentary)
Waiting for something to happen: Hospitalization with placenta previa (Katz). 2001;28:186

Hospitals
Implementing change: Becoming baby-friendly in an inner city hospital (Merewood and Philipp). 2001;28:36
Maternity care practices: Implications for breastfeeding (DiGirolamo et al). 2001;28:94
Single room maternity care: The nursing response (Janssen et al). 2001;28:173

I

Immersion; *see* **Water**

Induction, labor
Amniotomy alone for induction of labour (Bricker and Luckas). 2001;28:138 (Selected Cochrane systematic review)
Amniotomy for shortening spontaneous labour (Fraser et al). 2001;28:139 (Selected Cochrane systematic review)
Amniotomy plus intravenous oxytocin for induction of labour (Howarth and Botha). 2001;28:281 (Selected Cochrane systematic review)
Intravenous oxytocin alone for cervical ripening and induction of labour (Kelly and Tan). 2001;28:280 (Selected Cochrane systematic review)
Oral prostaglandin E2 for induction of labour (French). 2001;28:214 (Selected Cochrane systematic review)
Vaginal prostaglandin (PGE2 and PGF2a) for induction of labour at term (Kelly et al). 2001;28:213 (Selected Cochrane systematic review)

Infant, newborn
Does bathing newborns remove potentially harmful pathogens from the skin? (Medves and O'Brien). 2001;28:161
Maternal analgesia during labor disturbs newborn behavior: Effects on breastfeeding, temperature, and crying (Ransjö-Arvidson et al). 2001;28:5
Position for newborn sleep: Associations with parents' perception of their nursery experience (Colson et al). 2001;28:249
Postpartum maternal oxytocin release by newborns: Effects of infant hand massage and sucking (Matthiesen et al). 2001;28:13
What babies teach us: The essential link between baby's behavior and mother's biology (Kennell and McGrath). 2001;28:20 (Commentary)

Infant, premature
Preemies on steroids: A new iatrogenic disaster? (Harrison). 2001;28:57 (Consumer viewpoint)

Infant formula
Commercial hospital discharge packs for breastfeeding women (Donnelly et al). 2001;28:63 (Selected Cochrane systematic review)
Violating "the Code": Breastfeeding, ethics, and choices (Young). 2001;28:77 (Editorial)

Infection
Postdischarge surveillance after cesarean section (Creedy and Noy). 2001;28:264

L

Labor, drug effects
Maternal analgesia during labor disturbs newborn behavior: Effects on breastfeeding, temperature, and crying (Ransjö-Arvidson et al). 2001;28:5
What babies teach us: The essential link between baby's behavior and mother's biology (Kennell and McGrath). 2001;28:20 (Commentary)

Labor, induced; *see* **Induction, labor**

Labor, methods
Assessing effective care in normal labor: The Bologna score (Chalmers and Porter). 2001;28:79
Eating and drinking in labor: The influence of caregiver advice on women's behavior (Scheepers et al). 2001;28:119
Flat tires and other deflations (Hall). 2001;28:131 (In the literature)
Immersion in water in the first stage of labor: A randomized controlled trial (Eckert et al). 2001;28:84
Maternal satisfaction with active management of labor: A randomized controlled trial (Sadler et al). 2001;28:225
The nature and management of labor pain: What is the evidence? (Young). 2001;28:149 (Editorial)
WHO principles of perinatal care: The essential antenatal, perinatal, and postpartum care course (Chalmers et al). 2001;28:202
Women's position during second stage of labour (Gupta and Nikodem). 2001;28:62 (Selected Cochrane systematic review)

Labor, psychology; *see* **Delivery, psychology**

Labor Assister System
Flat tires and other deflations (Hall). 2001;28:131 (In the literature)

Lacerations, perineal
Reducing postnatal pain from perineal tears by using lignocaine gel: A double-blind randomized trial (Corkill et al). 2001;28:22
Suturing versus nonsuturing of perineal lacerations (McCandlish et al) (Letter); (Lundquist et al) (Reply). 2001;28:73
Trends in the use of episiotomy in the United States: 1980—1998 (Weeks and Kozak). 2001;28:152
Letters
Epidural analgesia and maternal fever (Lieberman et al) (Letter); (Albers) (Letter). 2001;28:72
Suturing versus nonsuturing of perineal lacerations (McCandlish et al) (Letter); (Lundquist et al) (Reply). 2001;28:73
Women's request for cesarean (Turnbull et al). 2001;28:146
Lidocaine
Reducing postnatal pain from perineal tears by using lignocaine gel: A double-blind randomized trial (Corkill et al). 2001;28:22
Lignocaine; *see* **Lidocaine**

M
Media
Sheila Kitzinger's and Jenny Kitzinger's letter from Europe: Childbirth and breastfeeding in the British media (Kitzinger and Kitzinger). 2001;28:60
Media reviews; *see* **Book reviews; Software review; Video reviews**
Midwifery
Sheila Kitzinger's letter from Europe: Awake, aware—and action! (Kitzinger). 2001;28:210

N
Natural childbirth
Making childbirth a normal process (Righard). 2001;28:1 (Guest editorial)
Sheila Kitzinger's letter from Europe: Awake, aware—and action! (Kitzinger). 2001;28:210
New England Journal of Medicine
Vaginal birth after cesarean and the *New England Journal of Medicine*: A strange controversy (Flamm). 2001;28:276 (In the literature)
Newborn; *see* **Infant, newborn**
Nurses, role during labor
Pregnant women's perceptions of their nurse's role during labor and delivery (Tumblin and Simkin). 2001;28:52 (Research brief)
Women's perceptions of helpful and unhelpful nursing behaviors during labor: A study in Taiwan (Chen et al). 2001;28:180

O
Oxytocin
Amniotomy plus intravenous oxytocin for induction of labour (Howarth and Botha). 2001;28:281 (Selected Cochrane systematic review)
Intravenous oxytocin alone for cervical ripening and induction of labour (Kelly and Tan). 2001;28:280 (Selected Cochrane systematic review)
Postpartum maternal oxytocin release by newborns: Effects of infant hand massage and sucking (Matthiesen et al). 2001;28:13
What babies teach us: The essential link between baby's behavior and mother's biology (Kennell and McGrath). 2001;28:20 (Commentary)

P
Pain management
Immersion in water in the first stage of labor: A randomized controlled trial (Eckert et al). 2001;28:84
The nature and management of labor pain: What is the evidence? (Young). 2001;28:149 (Editorial)
Reducing postnatal pain from perineal tears by using lignocaine gel: A double-blind randomized trial (Corkill et al). 2001;28:22
Parent-child relations
Hospitalization for early bonding of the genetic mother after a surrogate pregnancy: Report of two cases (Sharan et al). 2001;28:270
Making childbirth a normal process (Righard). 2001;28:1 (Guest editorial)
Routines in maternity units: Are they still appropriate for 2002? (Klaus and Kennell). 2001;28:274 (Commentary)
Patient education
Attitudes and beliefs about childbirth among college students: Results of an educational intervention (Cleeton). 2001;28:192
Perinatal depression: A randomized controlled trial of an antenatal education intervention for primiparas (Hayes et al). 2001;28:28
Postpartum positioning and attachment education for increasing breastfeeding: A randomized trial (Henderson et al). 2001;28:236
Patient perceptions
Position for newborn sleep: Associations with parents' perception of their nursery experience (Colson et al). 2001;28:249
Pregnant women's perceptions of their nurse's role during labor and delivery (Tumblin and Simkin). 2001;28:52 (Research brief)
Women's perceptions of helpful and unhelpful nursing behaviors during labor: A study in Taiwan (Chen et al). 2001;28:180
Patient preferences
Assessing women's preferences for intrapartum care (Hundley et al). 2001;28:254
Women's preference for a cesarean section: Incidence and associated factors (Gamble and Creedy). 2001;28:101
Women's request for cesarean (Turnbull et al). 2001;28:146 (Letter)
Patient satisfaction
Maternal satisfaction with active management of labor: A randomized controlled trial (Sadler et al). 2001;28:225
Perineum
Reducing postnatal pain from perineal tears by using lignocaine gel: A double-blind randomized trial (Corkill et al). 2001;28:22
Suturing versus nonsuturing of perineal lacerations (McCandlish et al) (Letter); (Lundquist et al) (Reply). 2001;28:73
Trends in the use of episiotomy in the United States: 1980—1998 (Weeks and Kozak). 2001;28:152
Placenta previa
Waiting for something to happen: Hospitalization with placenta previa (Katz). 2001;28:186
Position, labor
Women's position during second stage of labour (Gupta and Nikodem). 2001;28:62 (Selected Cochrane systematic review)
Posttraumatic stress disorder
Do women get posttraumatic stress disorder as a result of childbirth? A prospective study of incidence (Ayers and Pickering). 2001;28:111
Pregnancy
Effective care in pregnancy and childbirth: A synopsis (Enkin et al). 2001;28:41
Waiting for something to happen: Hospitalization with placenta previa (Katz). 2001;28:186
WHO principles of perinatal care: The essential antenatal, perinatal, and postpartum care course (Chalmers et al). 2001;28:202
Premature infant; *see* **Infant, premature**
Primiparas
Perinatal depression: A randomized controlled trial of an antenatal education intervention for primiparas (Hayes et al). 2001;28:28
Prostaglandins; *see* **Induction, labor**

S
Single room maternity care
Single room maternity care: The nursing response (Janssen et al). 2001;28:173
Sleep, newborn
Position for newborn sleep: Associations with parents' perception of their nursery experience (Colson et al). 2001;28:249
Software review
Life Begins, by Quality Multimedia Inc (Hotelling). 2001;28:144
Steroids
Preemies on steroids: A new iatrogenic disaster? (Harrison). 2001;28:57 (Consumer viewpoint)
Stress disorder, posttraumatic *see* **Posttramatic stress disorder**
Sucking behavior
Postpartum maternal oxytocin release by newborns: Effects of infant hand massage and sucking (Matthiesen et al). 2001;28:13
What babies teach us: The essential link between baby's behavior and mother's biology (Kennell and McGrath). 2001;28:20 (Commentary)
Sudden infant death syndrome
Position for newborn sleep: Associations with parents' perception of their nursery experience (Colson et al). 2001;28:249
Surrogate mothers
Hospitalization for early bonding of the genetic mother after a surrogate pregnancy: Report of two cases (Sharan et al). 2001;28:270
Routines in maternity units: Are they still appropriate for 2002? (Klaus and Kennell). 2001;28:274 (Commentary)
Sutures
Suturing versus nonsuturing of perineal lacerations (McCandlish et al) (Letter); (Lundquist et al) (Reply). 2001;28:73
Systematic reviews
Consumer-professional partnership to improve research: The experience of the Cochrane Collaboration's Pregnancy and Childbirth Group (Sakala et al). 2001;28:133 (Consumer viewpoint)

T
Taiwan
Women's perceptions of helpful and unhelpful nursing behaviors during labor: A study in Taiwan (Chen et al). 2001;28:180

V

Vaginal birth after cesarean

Vaginal birth after cesarean and the *New England Journal of Medicine*: A strange controversy (Flamm). 2001;28:276 (In the literature)

Women's preference for a cesarean section: Incidence and associated factors (Gamble and Creedy). 2001;28:101

Video reviews

Celebrate Birth!, by Injoy Videos and Lamaze International (Predmore). 2001;28:222

Choices in Childbirth—Volume 1: Epidural Anesthesia, by Injoy Videos (Predmore). 2001;28:70

W

Water

Immersion in water in the first stage of labor: A randomized controlled trial (Eckert et al). 2001;28:84

World Health Organization

Assessing effective care in normal labor: The Bologna score (Chalmers and Porter). 2001;28:79

WHO principles of perinatal care: The essential antenatal, perinatal, and postpartum care course (Chalmers et al). 2001;28:202
